#### REPORT OF INDEPENDENT AUDITORS

To the Stockholders Fortress Group, Inc.

We have audited the accompanying balance sheet of Fortress Group, Inc. as of December 31, 2004, and the related statements of operations, stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fortress Group, Inc. as of December 31, 2004, and the results of its operations and its cash flows for the year then ended in conformity with accepted accounting principles generally accepted in the United States of America.

#### NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Nature of Operations – The Company provides investment banking services concentrating on private placements of equity capital and mergers and acquisitions advisory. The Company's clients are generally U.S. based issuers of equity securities or companies undergoing ownership change transactions. On December 22, 2002 the Company formally changed its name from Fortress Williamson Securities, Inc. to Fortress Group, Inc.

<u>Revenue Recognition</u> – Revenue related to commissions earned regarding the arranging of private placements of securities by issuers or merger and acquisition transactions will be recognized generally at the "date of closing" when the revenue is earned.

<u>Fixed Assets</u> – Fixed assets are recorded at cost. Depreciation of fixed assets is computed using the straight line method over the estimated useful lives of the property. The cost and accumulated depreciation related to assets retired or sold are relieved from the accounts, and gain or loss on disposal is reflected in income. The cost of maintenance and repairs is charged to expenses as incurred. Renewals and betterments which extend the useful life of assets are capitalized.

<u>Income taxes</u> – The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company's net income or loss is reportable by its stockholders in their individual income tax returns.

<u>Use of estimates</u> – The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **NOTE 2 - LEASES:**

The Company leases office space pursuant to an operating lease agreement expiring in 2005. The lease provides for monthly rentals of \$1,474

#### NOTE 3 - NET CAPITAL REQUIREMENTS:

The Company is a licensed broker/dealer and accordingly is subject to the Securities and Exchange Commission Uniform Net Capital Rule which requires the maintenance of adjusted minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 8 to 1. At December 31, 2004, the Company had adjusted net capital of \$13,732 which was \$8,732 in excess of its required net capital of \$5,000.

#### INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTAL INFORMATION

To the Stockholders Fortress Group, Inc.

Our report on our audit of the basic financial statements of Fortress Group, Inc. for 2004 appears on page one. That audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of computation of net capital under SEC rule 15c3-1 and reconciliation of audited and unaudited reports at December 31, 2004 are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

With Malburk Brilly, Out Charge.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

To the Stockholders Fortress Group, Inc.

In planning and performing our audit of the financial statements of Fortress Group, Inc. for the year ended December 31, 2004, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purposes of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Fortress Group, Inc. that we considered relevant to the objectives stated in Rule 17a-5(g): (1) in making the periodic computation of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and the reserve required by Rule 15c3-3(e); (2) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13; (3) in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System; and (4) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with Management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2004, to meet the Commission's objectives.

Watherly Mebrot, Bridge AL & Bray
